Dominant[®] Quality Cleaning Products

Dominant have been developing and manufacturing high quality cleaning products for over 60 years, but we offer much more than that. →

Our Certifications

Dominant is committed to delivering high-quality products with consistent and reliable performance. That is why we have implemented and maintain management systems that exceed the requirements of International ISO standards. Allowing you to have confidence when using all Dominant products and services.

Safety Focus

- Smaller and lighter product sizes for safe handling, eg 2L and 5L bottles
- The Dominant Protekta[®] Cap – a completely sealed, closed-loop safety system that ensures safe delivery of product and protection from spills
- Colour coded and labelled dispensing bottles and equipment

Education & Training

Onsite or online training modules and assessments to educate and evaluate competency of users.

- Chemical Awareness Training
- HACCP and Food Safety & Hygiene Procedures
- Safe laundry and dishwasher procedures

Training Module:
Chemical Aw

Compliance Documentation

We understand education regulations and requirements and provide important documentation including:

- Chemical safety wall charts
- Product application charts
- Safety Data Sheets

How-to Signage

Dominant offer a range of step-by-step posters to encourage correct hand washing, and hand sanitising practices.

Dispensing Equipment

We offer an extensive range of dispensing equipment including those with remote access to allow for ease of use, and accurate and safe dosing of product.

These include dosing pumps, electronic detergent feeders, mobile foaming units, hand wash dispensers and more.

Environmentally Friendly

Dominant have a range of products that are garden and septic safe to minimise environmental impact.

We also manufacture highly concentrated products which means that less is used and therefore less packaging requires recycling or goes into landfill.
