## Cleaning, Hygiene and Sanitation Solutions for the Health Care Sector

[dominant.com.au](http://dominant.com.au)

Our healthcare solutions are designed to meet all non-surgical cleaning needs for your facility and most importantly all regulatory requirements of the accreditation process.

Helping you provide a safe environment for patients and staff →

Dominant's range of products are focused on cleaning non-surgical areas in health care facilities. We service specialised areas within health care facilities including:

KITCHENS & CATERING

LAUNDRY

FLOORS

HAND HYGIENE

HOUSEKEEPING

## Dominant

### Quality Cleaning Products

Dominant have been developing and manufacturing high quality cleaning products for over 60 years, but we offer much more than that.

### Education & Training

Onsite or online training modules and assessments to educate and evaluate competency of users.

- Chemical Awareness Training
- HACCP and Food Safety & Hygiene Procedures
- Safe laundry and dishwasher procedures

### Compliance Documentation

We understand education regulations and requirements and provide important documentation including:

- Chemical safety wall charts
- Product application charts
- Safety Data Sheets

### Reporting & Auditing

Our team can offer:

- Detailed site audits to identify the requirements of a space, and provide risk assessments
- Hygiene Monitoring
- Dishwasher Reports
- Laundry Reports
- Laundry Audits

### Technical Assistance

We have a team of qualified service technicians available for installation, and ongoing service and maintenance of dispensing equipment.

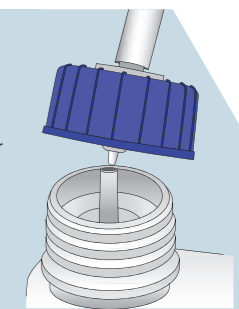

### Our Certifications

Dominant is committed to delivering high-quality products with consistent and reliable performance. That is why we have implemented and maintain management systems that exceed the requirements of International ISO standards. Allowing you to have confidence when using all Dominant products and services.

### Safety Focus

- Smaller and lighter product sizes for safe handling, eg 2L and 5L bottles
- The Dominant Protekta® Cap – a completely sealed, closed-loop safety system that ensures safe delivery of product and protection from spills
- Colour coded and labelled dispensing bottles and equipment

### Dispensing Equipment

We offer an extensive range of dispensing equipment including those with remote access to allow for ease of use, and accurate and safe dosing of product.

These include dosing pumps, electronic detergent feeders, mobile foaming units, hand wash dispensers and more.

### Environmentally Friendly

Dominant have a range of products that are garden and septic safe to minimise environmental impact.

We also manufacture highly concentrated products which means that less is used and therefore less packaging requires recycling or goes into landfill.

### Research & Development

Our experienced team of research and development chemists are available to provide additional support.

### Effective Cost per Use

Dominant manufacture many products in concentrated quantities. These can then be diluted with water into a reusable spray bottle.

## Personal Care

### Luna Hand Care

A premium range of hand and personal care products with a choice of fragrance and dispensing options.

Fragrances include:

- French Pear
- Grapefruit & Lemon Verbena

### Aquista

Fragrance free hand wash especially made for food preparation areas.

### 4 All

Hand cleaner and all over body wash with a musk fragrance.

### 4 Control

Antimicrobial hand wash with a citrus fragrance for use in food areas and other critical areas.

### 4 Protection

A moisturising barrier lotion to protect hands from occupational exposure.

### Golden Harvest

A hair and body cleanser containing wheat proteins and nature derived cleansing agents.

### Soft Hands

An economical mild hand wash with a vanilla fragrance.

### Radiance

An all over skin conditioning hand and body cleanser.

### Green Tea

Fresh green tea fragranced hand and body wash.

### Extra Mild

Very mild and gentle hand wash for those with sensitive skin who wash frequently.

## Laundry

### Micro Break

Concentrated alkaline builder and water softener effective in all water conditions.

### Micro Suds

Highly concentrated detergent system with a low foam profile to deal with a wide range of soil types.

### Micro Oxy

Concentrated oxygen bleach. Suitable for colours and whites.

### Micro Bleach

Concentrated chlorine bleach for strong bleaching on whites.

### Micro Soft

Highly concentrated combination softener & sour with anti-microbial agents to assist infection control in the laundry.

### Micro San

Anti-microbial laundry liquid for use when linen cannot be thermally disinfected. When used as recommended at 40°C Micro San is proven to comply with Australian Standard AS4146:2000.

### Micro Chill

Low temperature laundry disinfectant and destainer. Safe on colours.

### Laundry Prewash Spray

A fast acting laundry pre-wash spray to help remove oil, grease, cosmetics and other stains from fabric and linens.

### Motel

Premium quality laundry powder containing an activated oxygen bleach system and stain removing enzymes.

### Dominish

Multipurpose powder containing an oxygen bleach for destaining.

## Kitchens & Catering

### Bacban

A no-rinse sanitiser. Bacban provides sanitation to clean hard surfaces without needing to rinse.

### Saniclear

A moderately alkaline quaternary ammonium based detergent sanitiser recommended for cleaning and sanitising in all areas. Cleans and kills bacteria in one easy step.

### Laser

A heavy duty cleaner for removal of fats, grease and other soiling from hard surfaces in a kitchen or food preparation area.

### Vero Antibacterial Detergent

Clean and sanitises dishes in one step. Kills bacteria - E Coli, Salmonella, Listeria, Staphylococcus aureus.

## Bright Dishwashing System

### Bright Wash

A highly concentrated non-caustic machine dishwashing detergent with excellent scale control properties.

### Bright Clean

A concentrated machine dishwashing detergent with chlorine bleach for destaining.

### Bright Shine LF

A highly concentrated machine acidic rinse aid that leaves a sparkling finish on glasses and crockery.

### Bright Dish

A highly concentrated manual dishwashing detergent for sparkling clean dishes.

### Bright Tech

Highly concentrated premium auto dishwashing detergent. Contains high levels of descaling compounds to maintain the machine in scale free condition.

## Housekeeping Smart System

### Smart Wizard

A concentrated neutral hard surface cleaner suitable for floors or any washable surface.

### Smart Brilliant

A concentrated ammonia free cleaner suitable to use on all glass and chrome surfaces, providing a streak-free finish.

### Smart Fresh

A concentrated blood orange fragranced deodoriser.

### Smart Ocean

A highly concentrated acidic based washroom cleaner with a fresh citrus fragrance.

## Ready to Use Plant Powered Cleaning

Simplify the way you clean with our plant powered cleaning range.

Lightweight, ready to use products with no dilution needed for convenient cleaning.

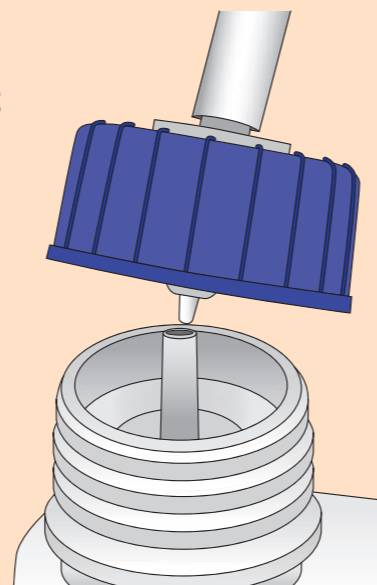

Learn more about our convenient and safe dispensing systems →

## Dominant Protekta® Cap

The Protekta® Cap ensures safe delivery of the product without spillage, leaks or splashing and is colour-coded for ease of use.

This system significantly reduces work health and safety issues associated with traditional systems. It restricts the end-user from being able to 'glug' chemical from the bottle, keeping product usage to a minimum.

- Completely sealed
- No spills
- Closed loop system

## Micro Active Laundry System

Features highly concentrated product and automated dispensing equipment.

- Product labels and caps are colour coded
- Bottle changeover is foolproof, ensuring correct products are used every time
- Consistent, accurate dosing eliminates wasted product and gives reliable, outstanding wash results
- Management system provides downloadable information on load counts, product usage, and efficiency of laundry operation

## Smart System

A system that is truly smart, delivering product accurately and safely.

- Standardised dilution-controlled dispensers
- Ultra-concentrated formulas
- Protekta® caps to ensure staff never come into direct contact with neat product

## Bright System

An automatic dishwashing dispensing system.

- All products are fitted with the Dominant Protekta® Cap system
- Safe handling and accurate dosing
- Managed by a Dominant Account Manager to ensure perfect results

## Star System

A sealed pouch-based system for wall dispenser units.

- Eliminates cross contamination, and bacteria and pathogen build-up associated with refillable soap systems

A partnership with Dominant  
is protecting the health and  
safety of your staff, patients  
and visitors.
